1. Introductions
2. Approve minutes
  - a. Unanimously Approved
3. EcoFest Debrief
  - a. No counter this year, estimate 300-400 people. Good feedback.
4. Report from March 13<sup>th</sup> AHS Building Project Sustainability Meeting
  - a. Goal to be a net zero building. Solar panels, ground source heat pumps. Passive building optimization. Staged building. Less lawn in front but still some (~80 ft). Looking for support for the project. Large price tag.
5. AHS Building Project Endorsement Discussion
  - a. Unanimously endorsed.
6. Better Building Codes Update
  - a. Approved by select board. Planning department could use some push from the top down.
  - b. Next steps involve getting the legislature to create a net zero building code that communities like Arlington could adopt.
7. Community Outreach Discussion
  - a. True Story Theater collaboration. Waiting to hear back from them about our ideas.

- b. Roving Roundtable in the fall. Peter Frumhoff said he or someone else from UOCS would be willing to come to an event.
- c. Lots of other groups and events active on climate change. How can we build more relationships and number of volunteers? Tom will talk to a few other leaders to gauge interest and put together a planning committee.
- d. One Cello One Planet, by Judith Glixon. Looking to do performances around the area.

8. New business

- a. Perhaps we should try to get the town to up the default renewable rate, following Newton and Brookline, rather than working on increasing the opt up rates. Can start with a petition to the Town Manager.
- b. Extinction Rebellion having an event tomorrow, Thursday 3/28 at 6:30 pm at the Cambridge Community Center on climate science, psychology, and social movements.
- c. Harvard Heat Week by Divest Harvard, flood Harvard event on April 26<sup>th</sup>.
